(RE)CLASSIC POWER BANK MAGNETIC 10.000MAH BLACK

The slimmest 10.000mAh power bank for an extra 100% charge

REF : NU-PB-10KMS-BLK

EAN : 4895200484486

EXISTS IN : BLACK

DESCRIPTION :

Double the charge, twice the fun. (Re)Classic Power Bank 10000mAh levels up the power bank game with Qi2-enabled on-the-go magnetic charging that's powerful enough for two full extra batteries - while still being as slim and lightweight as ever. Detailed with our signature textured design that elevates all your carry, it's the ultimate combination of performance and style.

STRENGTHS :

- Stay powered up on-the-go with a 1.43cm ultra-slim, lightweight magnetic power bank
- Strong magnetic attachment to MagSafe phones & cases to carry & charge everywhere
- Qi2 certified & MagSafe compatible for a fast, safe & efficient charge up to 15W
- Supports up to 15W for wireless charging & up to PD 20W when connected via a USB-C cable
- Fully charges an iPhone 15 Pro to 100% two times**
- Crafted with a durable, recycled & animal-free leather alternative
- Comes with a 15cm braided USB-C to USB-C cable
- LED lights indicate power bank battery so you always know when to recharge
- Two-way USB-C port can be used to recharge the power bank or charge a device
- Pass-through charging support lets you charge your device while recharging your power bank
- Safeguard your battery with overvoltage, overcurrent & overheating protection

**Charging results are based on wired charging tests using a fully charged (Re)Classic Power Bank to charge an iPhone 15 Pro from 0-100%. Results will vary based on environmental factors, device settings and individual usage.
