DESCRIPTION :

iPads hit the perfect balance between performance and portability, unlocking endless possibilities wherever we are. Yet, they don't always offer the most comfortable experience. That's why Native Union created **Active Folio**: a smart 4-in-1 foldable solution designed to enhance every way we use our iPads—whether it's for video watching, calling, streaming, sketching, or more. And of course, it provides drop protection, keeping the iPad safe wherever you go. A device that does it all, now does it all – better.

STRENGTHS :

- Protective case with a foldable cover made from a durable, recycled & animal-free leather alternative
- 4-in-1 design: origami-inspired cover offers 4 versatile stand positions for seamless streaming, typing, calling, watching videos & more
- 360-degree protection with reinforced bumpers & drop protection up to 5ft / 1.8m
- Matte finishing keeps your case scratch-free and prevents yellowing
- Built-in holder keeps your Apple Pencil secure & protected
- Magnetic cover smartly wakes your iPad when opened & puts it to sleep when closed
