EAN : 9350784028471

EXISTS IN : GREY

### DESCRIPTION :

#### **Make a Difference with Clarity Max Touch 32" UHD 4K, the next big thing in creativity**

Experience studio-quality performance with the Clarity Max monitor. Specifically designed for creative professionals, this large 32-inch monitor delivers precise colors and sharp contrast. With HDR400 technology and a 3000:1 contrast ratio, it provides deep blacks and stunning brightness. Featuring 4K UHD resolution and over 16 million colors, it's the ideal tool for bringing your most ambitious projects to life.

### STRENGTHS :

- **32" 4K Touchscreen:** Enjoy a smooth navigation experience, allowing you to pinch, swipe, and draw with your fingers or an active Surface stylus (sold separately).
- **Retractable 8 MP Webcam:** Capture your image in high quality, and retract it automatically when not in use to protect your privacy.
- **Foldable Stand (sold separately):** Transform your monitor into a 32-inch drawing tablet.
- **Customizable Touch Controls:** Create shortcuts for your favorite apps, such as adding a new track in Ableton Live or a new layer in Photoshop.
- **USB-C Connectivity:** One cable to connect your computer, webcam, touchscreen, USB-A accessories, and more.
- **Adjustable Ergonomic Stand:** Easily adjust the screen's height, angle, and rotation for optimal comfort.
- **VESA 100x100 mm Compatible:** Easily integrates into any desk setup with VESA mounts and monitor arms.

**Clarity Max Touch**, a monitor designed to inspire you while offering exceptional performance and an unmatched touchscreen experience.
