DESCRIPTION :

The Essential Armor case. Made with an ultra-light co-molded construction and a slim profile, this case provides superior protection without the bulk. Shock protection in the corners ensures your tablet is protected from daily wear and tear, like scratches or bumps. The smart folio case with auto wake/sleep functionality, featuring a secure magnetic closure, enhances the convenience and functionality of your tablet. The versatile folio with multiple viewing angles, both horizontal and vertical, adjusts your tablet to the perfect angle for movie nights, video calls, presentations, and more. The transparent back highlights your tablet's design.
