DESCRIPTION :

Discover the new JBL Horizon 3 Clock Radio: Your Perfect Companion for Sleep and Wake-up

Add a touch of elegance and functionality to your room with the JBL Horizon 3 clock radio. Its sleek design, with a large rotary control button and a large display screen, fits perfectly into any environment. Enjoy powerful stereo sound by JBL with two passive radiators that deliver rich, deep sound.

Easily tune in to your favorite DAB+/FM radio stations and stream your music via Bluetooth for a complete sound experience. The Horizon 3 offers customizable light and sound modes designed to enhance your sleep and gently wake you up. The adjustable ambient backlighting creates a soothing atmosphere, while the two alarms ensure you wake up the way you need.

Additionally, with its USB charging port, you can charge your devices while relaxing. With easy setup and customization via the JBL ONE APP, the JBL Horizon 3 clock radio turns every wake-up into a pleasant moment. The perfect choice for daily comfort!
