DESCRIPTION :

Designed with action and adventure in mind, the Pathfinder Series with MagSafe accessory compatibility provides serious protection with a modern classic look. The case features an ultra-lightweight armor shell, impact-resistant frame, and a core with a hex pattern that provides increased drop and shock protection. The enhanced perimeter raised screen surround shields the display from accidental drops & impacts, and corner protection comes courtesy of TPU bumpers. A built-in magnet module locks your iPhone in-place for seamless MagSafe charging compatibility. With our Pathfinder series your phone is always in good hands.
