

BOOMTAG SMART TRACKER BLACK

Smart Tracker with Bluetooth 5.4 and Apple Find My Compatibility

REF : BP-TBMBLK

EAN : 5060746171193

EXISTS IN : BLACK, WHITE

DESCRIPTION :

The BOOMTAG Smart Tracker is a compact and lightweight smart locator designed to bring peace of mind to your everyday life. Built to work exclusively with Apple's Find My network (iPhone), it helps you keep track of your most valuable belongings—like keys, suitcases, or backpacks—right from your iOS device. Available in sleek black or white, the BOOMTAG Smart Tracker combines advanced technology, ease of use, and water-resistant design, so it's ready to go wherever you do. Plus, every purchase supports global reforestation, as Boompods partners with One Tree Planted to help the planet.

STRENGTHS :

- **Full compatibility** with Apple's "Find My" network (iPhone).
- **Easy to use:** simply sync it with your iOS device to locate your items anytime.
- **Ultra-compact and lightweight:** only 9.5g.
- **Long-lasting battery:** up to 12 months of life with a standard CR2032 coin cell.
- **Powerful alarm:** sound up to 84 dB to quickly locate your lost item.
- **Durable materials and sleek design,** available in black or white.
- **Water-resistant** with IPX5 certification, perfect for everyday use.
- **Eco-conscious commitment:** every purchase supports global reforestation.
