## WEATHERPROOF CASE FOR SMART VIDEO DOORBELL G4 BLACK

Weatherproof Protective Case with Rain Shield

REF : AQ-FFGJT11LM

EAN : 6975833352760

EXISTS IN : BLACK

### DESCRIPTION :

The AQARA G4 weatherproof protective case is designed to shield your device from rain, snow, and dust. Made from durable materials, it provides long-lasting protection. Ideal for those looking to safeguard their smart devices outdoors.

### STRENGTHS :

#### **Durable and Weather-Resistant Material**

The case is made from high-quality weather-resistant plastic that withstands extreme temperatures, rain, snow, and dust. Its precise fit ensures that all features of the doorbell, including AI facial recognition and FHD 1080P resolution, remain fully functional without any limitations.

#### **Quick and Easy Installation**

The case is designed for easy installation. Perfectly aligned cutouts provide unrestricted access to all ports and controls of the doorbell.

#### **Long-Lasting Protection**

This protective case offers a long-term solution to safeguard and maintain the performance of Aqara's Smart Video Doorbell G4. It combines durability with a sleek design to ensure the doorbell remains protected from outdoor elements at all times.
