EXISTS IN : BLACK

DESCRIPTION :

The Plasma Series case is meticulously designed for professionals who rely on their tablets both in the field and in the office. Featuring a rugged armor shell and impact-resistant rubber bumpers for premium shock and drop protection, ensuring your tablet withstands the toughest days on the job. The built-in 360-degree rotational hand strap allows you unparalleled freedom and security while on the go, offering a secure grip in any orientation. A sturdy built-in kickstand transforms your tablet into a laptop workstation with ease, perfect for presentations or viewing content. The dedicated Slim Pen storage keeps your Slim Pen close by and secure. Comes with an optional shoulder strap, giving you even more portability to transport your tablet hands-free. More than just protection for your tablet, it's a premium, comprehensive solution designed to deliver durability, mobility, and convenience.
