DESCRIPTION :

The Plasma Series Healthcare Case is designed for healthcare providers who depend on their tablets in hospitals, clinics, and other healthcare environments. Our case holds the esteemed Mil-Spec 810G and medical wipe certifications, a testament to its robustness. Rigorously tested for 1.2-meter (4 feet) drops, it ensures your device remains safeguarded against both contaminants and accidental falls in high-pressure medical environments. Stay mobile with our functional components like the 360-degree rotational hand strap, providing ultimate freedom and security while on the go, offering a secure grip on your tablet in any orientation. The built-in kickstand quickly transforms the tablet into a laptop-style for a stationary workstation. The dedicated Slim Pen storage keeps the Slim Pen close by and charged for crucial note-taking or documentation. We've included a replaceable shoulder strap, enabling you to carry your tablet effortlessly, allowing you to multitask and put patient care first. Exceptionally designed with healthcare environments in mind, the Plasma Healthcare Case is the ideal companion for dedicated healthcare professionals who prioritize the well-being of others.
