

ONYX STUDIO 8 BLUE

Portable Bluetooth Speaker

REF : HA-HKOS8BLUEP

EAN : 6925281971129

EXISTS IN : BLUE

DESCRIPTION :

The richness of sound in an elegant design.

Create your own ambiance with the Harman Kardon Onyx Studio 8. Both elegant and durable, the speaker is crafted from recycled materials, combining eco-friendly choices with beautiful design. The sleek anodized aluminum handle lets you carry the speaker anywhere. The Onyx Studio 8 automatically calibrates to optimize audio performance based on the room where you're using it. Easily pair two devices via Bluetooth to take turns enjoying your favorite tracks. Or link two Onyx Studio 8 wireless speakers for a wider, more detailed stereo sound experience. Need to make hands-free calls while benefiting from crystal-clear sound all day long, or want to unwind with your favorite playlist? With 8 hours of battery life, you won't miss a beat.

STRENGTHS :

Superior audio performance

Wherever you are, Harman Kardon's unrivaled acoustic engineering delivers rich, breathtaking sound—perfect for enjoying your favorite music or taking part in crystal-clear conference calls.

Elegant design

Crafted from premium materials, the Onyx Studio 8 blends effortlessly into your daily life and home interior. The sleek anodized aluminum handle doubles as a sturdy stand, allowing you to easily carry the speaker from one place to another.

Auto-calibration

Enjoy optimal sound wherever you go. Each time you power on the Onyx Studio 8, the speaker automatically adjusts to its surroundings to ensure the best possible listening experience.
