DESCRIPTION :

Be ready for anything with the Survivor All-Terrain Rugged Case, designed to deliver 4-layer protection for your iPad 10.9" (10th Gen). With 3X military-grade drop protection and an IP54 rating, it defends against dust, splashes, and drops up to 6 feet (1.8 m). The snap-on PET screen protector keeps your display safe from scratches and debris. For added convenience, it includes a built-in kickstand, handstrap, stylus storage, and antimicrobial protection — perfect for work, travel, or everyday life.

STRENGTHS :

- **Enhanced 4-Layer Defense:** Engineered to deliver triple military-grade protection, absorbing impacts from drops of up to 6 feet (1.8 meters).
- **Weather-Resistant Design (IP54):** Thoughtfully sealed ports and mesh speaker covers offer protection against dust, splashes, and debris.
- **Integrated Screen Shield:** The PET front protector helps keep your touchscreen safe from daily wear, drops, and particles.
- **Flexible Viewing & Grip Options:** Features a built-in kickstand and handstrap for comfortable viewing in any orientation.
- **Stylus-Ready Storage:** Includes a dedicated holder for your Apple Pencil or Logitech Crayon — always within reach and protected.

COMPATIBILITY :
